Saved Life: Coast to Coast “A Mile In Their Shoes”

We are launching a nationwide homeless awareness ride titled “Coast 2 Coast: A Mile In Their Shoes”. We are launching from the Jacksonville Beach Pier in Jacksonville, Florida on March 20, 2010 and finishing at the Santa Monica Pier, just outside of Los Angeles, California, a journey consisting of approximately 2,800 miles. We are doing this to raise awareness to the plight of the homeless in this country to the general public, provide the homeless we meet with basic necessities of socks, hygiene items, and other life necessities, and to raise money to implement our organizational plan for a “Cities of Refuge” Alcohol/ Drug Regeneration Ministry, our vision for the future. Your continued support to Saved Life and its outreach partners is most appreciated. Thank you! See ya on the road!
